Mr J Snape
Charity Bikes
Wakefield

December 2005

Dear Jon

I am writing to thank you for providing the Fumair Flyer for our Santa Big Bike Challenge on 10th December. It was a super day and everyone had a great time – they all want to do it again next year. We provided everyone with a Santa hat, and with the music blaring from the bike – it was ‘Jingle Bells’ all the way!

We chose a circular route of just under 2 miles, based in Shrewsbury Town Centre, which went through the local park along the river, and included a little hill, before returning back to base. This route was repeated six times, so we enrolled 138 people (6 rides x 23 people) who all pledged a minimum of £40 in sponsorship.

We obtained a license from the local council and collected £966 in cans on the street, and together with the total amount of sponsorship pledged, (- which was an amazing £10,103), we raised over £10,000 net after costs for our Charity!

Once again, thank you for such a successful event, - which we aim to repeat next year, and hope to make it our annual event in future.

Yours sincerely

Eryl Williams
Appeal Manager
